The Purchaser will require the selected Bidder to provide a Performance Bank Guarantee, within 10 days from the Notification of award, for a value equivalent to 10% of the total contract cost. The Performance Guarantee should be valid for a period 40 months from the date of agreement. The Performance Guarantee shall be kept valid till completion of the project and Warranty period. The Performance Guarantee shall contain a claim period of three months from the last date of validity. The selected Bidder shall be responsible for extending the validity date and claim period of the Performance Guarantee as and when it is due on account of non-completion of the project and Warranty period. In case the selected Bidder fails to submit performance guarantee within the time stipulated, the Purchaser at its discretion may cancel the order placed on the selected Bidder without

giving any notice. Purchaser shall invoke the performance guarantee in case the selected Vendor fails to discharge their contractual obligations during the period or Purchaser incurs any loss due to Vendor's negligence in carrying out the project implementation as per the agreed terms & conditions.

4.7.5. Signing of Contract

Post submission of Performance Guarantee by the successful Bidder, Purchaser shall enter into a contract, incorporating all clauses, pre-bid clarifications and the proposal of the Bidder between Purchaser and the successful Bidder.

2.5.6 Failure to Agree with the Terms and Conditions of the RFP

Failure of the successful Bidder to agree with the Draft Legal Agreement and Terms & Conditions of the RFP shall constitute sufficient grounds for the annulment of the award, in which event Purchaser may award the contract to the next best value Bidder or call for new proposals from the interested Bidders.

In such a case, the Tumakuru Smart City Limited shall invoke the PBG of the most responsive Bidder.

4.8. Fraud and Corrupt Practices

- a) The Bidders and their respective officers, employees, agents and advisers shall observe the highest standard of ethics during the Selection Process. Notwithstanding anything to the contrary contained in this RFP, the Purchaser shall reject a Proposal without being liable in any manner whatsoever to the Bidder, if it determines that the Bidder has, directly or indirectly or through an agent, engaged in corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice (collectively the "Prohibited Practices") in the Selection Process. In such an event, the Purchaser shall, without prejudice to its any other rights or remedies, forfeit and appropriate the Bid Security or Performance Security, as the case may be, as mutually agreed genuine pre-estimated compensation and damages payable to the Authority for, inter alia, time, cost and effort of the Authority, in regard to the RFP, including consideration and evaluation of such Bidder's Proposal.
- b) Without prejudice to the rights of the Purchaser under Clause above and the rights and remedies which the Purchaser may have under the LOI or the Agreement, if an Bidder or Systems Implementation Agency, as the case may be, is found by the Authority to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice during the Selection Process, or after the issue of the LOI or the execution of the Agreement, such Bidder or Hardware Supplier shall not be eligible to participate in any Tender or RFP issued by the Purchaser during a period of years from the date such Bidder or Hardware Supplier, as the case may be, is found by the Purchaser to have directly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice, as the case may be.
- c) For the purposes of this Section, the following terms shall have the meaning hereinafter respectively assigned to them:
 - a. "corrupt practice" means

- i. the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of any person connected with the Selection Process (for avoidance of doubt, offering of employment to or employing or engaging in any manner whatsoever, directly or indirectly, any official of the Purchaser who is or has been associated in any manner, directly or indirectly with the Selection Process or the LOI or has dealt with matters concerning the Agreement or arising there from, before or after the execution thereof, at any time prior to the expiry of one year from the date such official resigns or retires from or otherwise ceases to be in the service of the Purchaser, shall be deemed to constitute influencing the actions of a person connected with the Selection Process); or
 - ii. save as provided herein, engaging in any manner whatsoever, whether during the Selection Process or after the issue of the LOA or after the execution of the Agreement, as the case may be, any person in respect of any matter relating to the Project or the LOA or the Agreement, who at any time has been or is a legal, financial or technical consultant/ adviser of the Purchaser in relation to any matter concerning the Project;
- b. “fraudulent practice” means a misrepresentation or omission of facts or disclosure of incomplete facts, in order to influence the Selection Process;
- c. “coercive practice” means impairing or harming or threatening to impair or harm, directly or indirectly, any persons or property to influence any person’s participation or action in the Selection Process;
- d. “undesirable practice” means (i) establishing contact with any person connected with or employed or engaged by Purchaser with the objective of canvassing, lobbying or in any manner influencing or attempting to influence the Selection Process; or (ii) having a Conflict of Interest; and
- e. “restrictive practice” means forming a cartel or arriving at any understanding or arrangement among Bidders with the objective of restricting or manipulating a full and fair competition in the Selection Process.

4.9. Conflict of Interest

The Vendor shall disclose to Purchaser in writing, all actual and potential conflicts of interest that exist, arise or may arise (either for the Vendor the Bidder’s team) in the course of performing the Service(s) as soon as practical after it becomes aware of that conflict.

4.10. Terms and Conditions: Post Award of Contract

4.10.1. Termination Clause

4.10.1.1. Right to Terminate the Process

Purchaser reserves the right to cancel the contract placed on the selected Bidder and recover expenditure incurred by Purchaser under the following circumstances:

- i. The selected Bidder commits a breach of any of the terms and conditions of the bid.
- ii. The Bidder goes into liquidation, voluntarily or otherwise.

- iii. An attachment is levied or continues to be levied for a period of seven days upon effects of the bid.
- iv. If the selected Bidder fails to complete the assignment as per the time lines prescribed in the RFP and the extension if any allowed, it will be a breach of contract. The Purchaser reserves its right to cancel the order in the event of delay and forfeit the bid security as liquidated damages for the delay.
- v. If deductions of account of liquidated damages exceeds more than 10% of the total contract price.
- vi. In case the selected Bidder fails to deliver the quantity as stipulated in the delivery schedule, Purchaser reserves the right to procure the same or similar product from alternate sources at the risk, cost and responsibility of the selected Bidder.
- vii. After award of the contract, if the selected Bidder does not perform satisfactorily or delays execution of the contract, Purchaser reserves the right to get the balance contract executed by another party of its choice by giving one month's notice for the same. In this event, the selected Bidder is bound to make good the additional expenditure, which Purchaser may have to incur in executing the balance contract. This clause is applicable, if for any reason, the contract is cancelled.
- viii. Purchaser reserves the right to recover any dues payable by the selected Bidder from any amount outstanding to the credit of the selected Bidder, including the pending bills and/or invoking the bank guarantee under this contract.

4.10.1.2. Consequences of Termination

- a) In the event of termination of the Contract due to any cause whatsoever, [whether consequent to the stipulated term of the Contract or otherwise], Purchaser shall be entitled to impose any such obligations and conditions and issue any clarifications as may be necessary to ensure an efficient transition and effective business continuity of the Service(s) which the Vendor shall be obliged to comply with and take all available steps to minimize loss resulting from that termination/breach, and further allow the next successor / Vendor to take over the obligations of the erstwhile Vendor in relation to the execution/continued execution of the scope of the Contract.
- b) Nothing herein shall restrict the right of Purchaser to invoke the Purchaser Guarantee and other guarantees, securities furnished, enforce the Deed of Indemnity and pursue such other rights and/or remedies that may be available Purchaser under law or otherwise.
- c) The termination hereof shall not affect any accrued right or liability of either Party nor affect the operation of the provisions of the Contract that are expressly or by implication intended to come into or continue in force on or after such termination.

4.10.1.3. Liquidated Damages

- a) Notwithstanding Purchaser's right to cancel the order, liquidated damages for late delivery at 1% (One percent) of the undelivered portion of order value per week will be charged for every week's delay in the specified delivery schedule subject to a maximum of 10% of the value of the order value. For e.g. If Projector is delivered but delivery of power cord, to be supplied along with Projector, is delayed then LD would be calculated on the total cost of the Projector and not on the cost of the power cord alone.

- b) Liquidated damages for late commissioning at 1% (One percent) of the order value per week will be charged for every week's delay in commissioning to a maximum of 10% of the value of the order value.
- c) Please note that the above LD for delay in delivery and delay in commissioning are independent of each other and shall be levied as the case may be.
- d) Purchaser reserves its right to recover these amounts by any mode such as adjusting from any payments to be made by Purchaser to the Bidder. Liquidated damages will be calculated on per week basis.

4.11. Acceptance Tests

The selected Bidder in presence of the Purchaser authorized officials will conduct acceptance test at the site. The test will involve installation and commissioning and successful operation of the hardware, software, communication equipment etc. No additional charges shall be payable by the Purchaser for carrying out these acceptance tests

4.12. Audit by Third Party

Purchaser at its discretion may appoint third party for auditing the activities of onsite services and operations of entire services provided to the Purchaser

4.13. Penalty

- a) The Bidder shall perform its obligations under the Agreement entered into with the Purchaser, in a professional manner.
- b) In the event of failure of maintaining performance metrics specified in the SLA, penalties as defined in the SLA would be levied per payment milestone period subject to a maximum of 10% of the payment for that period.
- c) Purchaser may recover such amount of penalty from the associated payments, being released to the Implementation Agency.
- d) If any act or failure by the Bidder under the agreement results in failure or inoperability of systems and if the Purchaser has to take corrective actions to ensure functionality of its property.
 - Purchaser may impose seek to recover such amounts from the Implementation Agency, to the extent of damage to its any equipment, if the damage was due to the actions directly attributable to the staff of Bidder.
 - The Purchaser shall implement all penalty clauses after giving due notice to the Bidder.
 - If the Bidder fails to complete the due performance of the contract in accordance with the specification and conditions of the offer document, the Purchaser reserves the right either to cancel the order or to recover a suitable amount as deemed reasonable as Penalty / Liquidated Damage for non-performance

4.14. Dispute Resolution Mechanism

The Bidder and the Purchaser shall endeavour their best to amicably settle all disputes arising out of or in connection with the Contract in the following manner:

- a) The Party raising a dispute shall address to the other Party a notice requesting an amicable settlement of the dispute within seven (7) days of receipt of the notice.
- b) The matter will be referred for negotiation between and the Authorized Official of the Bidder. The matter shall then be resolved between them and the agreed course of action documented within a further period of 15 days.

In case any dispute between the Parties, does not settle by negotiation in the manner as mentioned above, the same may be resolved exclusively by arbitration and such dispute may be submitted by either party for arbitration within 20 days of the failure of negotiations. Arbitration shall be held in and conducted in accordance with the provisions of Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. Each Party to the dispute shall appoint one arbitrator each and the two arbitrators shall jointly appoint the third or the presiding arbitrator.

The "Arbitration Notice" should accurately set out the disputes between the parties, the intention of the aggrieved party to refer such disputes to arbitration as provided herein, the name of the person it seeks to appoint as an arbitrator with a request to the other party to appoint its arbitrator within 45 days from receipt of the notice. All notices by one party to the other in connection with the arbitration shall be in writing and be made as provided in this Tender document.

Each Party shall bear the cost of preparing and presenting its case, and the cost of arbitration, including fees and expenses of the arbitrators, shall be shared equally by the Parties unless the award otherwise provides. The Bidder shall not be entitled to suspend the Service/s or the completion of the job, pending resolution of any dispute between the Parties and shall continue to render the Service/s in accordance with the provisions of the Contract/Agreement notwithstanding the existence of any dispute between the Parties or the subsistence of any arbitration or other proceedings

4.15. Notices

Notice or other communications given or required to be given under the contract shall be in writing and shall be faxed/e-mailed followed by hand-delivery with acknowledgement thereof, or transmitted by pre-paid registered post or courier. Any notice or other communication shall be deemed to have been validly given on date of delivery if hand delivered & if sent by registered post than on expiry of seven days from the date of posting.

4.16. Force Majeure

Force Majeure is herein defined as any cause, which is beyond the control of the selected Bidder or Purchaser as the case may be which they could not foresee or with a reasonable amount of diligence could not have foreseen and which substantially affect the performance of the contract, such as:

1. Natural phenomenon, including but not limited to floods, droughts, earthquakes and epidemics
2. Acts of any government, including but not limited to war, declared or undeclared priorities, quarantines and embargos
3. Terrorist attack, public unrest in work area provided either party shall within 10 days from occurrence of such a cause, notifies the other in writing of such causes. The Bidder or

Purchaser shall not be liable for delay in performing his/her obligations resulting from any force majeure cause as referred to and/or defined above. Any delay beyond 30 days shall lead to termination of contract by parties and all obligations expressed quantitatively shall be calculated as on date of termination. Notwithstanding this, provisions relating to indemnity, confidentiality survive termination of the contract.

4.17. Failure to agree with Terms and Conditions of the RFP

Failure of the successful Bidder to agree with the Terms & Conditions of the RFP shall constitute sufficient grounds for the annulment of the award, in which event Purchaser may award the contract to the next best value Bidder or call for new proposals from the interested Bidders or invoke the PBG of the most responsive Bidder.

5. Details on Scope of Work

5.3.7. Wireless Access Points Controller

Sl.No	Major Feature	Description
1	General	WLAN OEM must be in a Leader/visionaries/Challenger quadrant of latest WLAN/Unified Gartner Magic Quadrant.

SELECTION OF AGENCY FOR ESTABLISHMENT OF SMART CLASS ROOMS IN GOVT. PU COLLEGE, TUMAKURU

Sl.No	Major Feature	Description
2	Architecture	WLAN Controller should be hardware/appliance-based controller OR software/virtual-based controller in which APs acts as a virtual controller.
3	Scalability	In case of hardware controller, controller shall be capable of supporting minimum of 600 AP's from day and scalable to 1200 AP's. In case of virtual controller, if there are more than one virtual controllers, centralized management solution also shall be provided to manage software controllers who are in turn managing other AP's.
4	Management	WLAN network shall have centralized management i.e. configuration of a single controller/virtual controller shall thereby result in the configuration of all access points.
5	High Availability	High availability should be provided for controllers. In the event of a failure of the hardware/virtual controller, a standby controller shall automatically take over the master role.
6	WLAN Features	Should support Band Steering feature that forces the dual-band capable clients to the 5 GHz band on dual-band access points.
		Should balance wireless clients across APs on different channels, based upon the client load on the APs.
		Should support internal DHCP server.
		WLAN Solution IEEE 802.11r roaming standard and shall support L3 mobility that allows a client to roam between APs on the same network but different client subnets, while preserving its IP address and existing data sessions.
		WLAN solution should be able to create access policies in order to allow or block packets for inbound traffic/outbound traffic.
7	Network Policy features	WLAN solution (either integrated or through external firewall) shall have a capacity to inspect all traffic from each user session and allow or deny any traffic that does not satisfy specified policies.
		WLAN solution (either integrated or through external firewall) shall provide identity-based controls to enforce application-layer security and prioritization. e.g You tube to be given defined bandwidth like 1 Mbps and some apps like Facebook to be denied or given defined bandwidth.
		WLAN solution shall be capable of controlling bandwidth per user.
8	Spectrum scanning	WLAN solution shall be capable enough to scan the 2.4 or 5GHz radio bands to identify sources of Wi-Fi and NON WI-FI interference sources, and make the results available locally and to a remote management solution.
		Single AP should be able to perform security scanning and serving wlan clients simultaneously.
9	WLAN Security	An integrated or External wireless intrusion prevention system shall be proposed with following features:
		Should prevent students/users connecting to rogue AP and also prevent an outside user trying to connect to campus WLAN.
		Should prevent Ad-hoc connections (i.e. clients forming a network amongst themselves without an AP)
		Should prevent windows bridge (i.e. client that is associated to AP is also connected to wired network and enabled bridging between two interfaces)
10	Indoor Access Points	802.11ac Dual radio, dual band capable of supporting 2.4 GHz & 5 GHz simultaneously.

5.7.2. Operational SLAs

- a) **Preventive maintenance:** The Agency shall ensure preventive maintenance once in 6 months for the entire hardware infrastructure supplied under the project. Failure to perform the preventive maintenance will attract a penalty equal to 10% of the quarterly instalment due next. The selected agency shall follow the working calendar of the Govt. PU College. Preventive Maintenance reports shall be submitted to the School Authority with a copy to TSCL, in a format which is duly approved by TSCL after Go-Live.
- b) **Operations SLA:** All breakdown calls are to be resolved as per the details given below

Location	Resolution time
Govt. PU College, Tumakuru	within 8 hours from the time of complaint made at Helpdesk

It would be the responsibility of the selected agency to log issues / breakdowns related to all IT equipment supplied as part of this project at the school under the scope of work with the respective OEMs.

If the breakdown issue cannot be resolved within the above specified time limits, a compatible System of equivalent or higher specifications has to be installed within that period.

1. The service call made between business hours (9.00 Hrs to 16:00 Hrs).

SELECTION OF AGENCY FOR ESTABLISHMENT OF SMART CLASS ROOMS IN GOVT. PU COLLEGE, TUMAKURU

2. Any service call made after 16:00 Hrs will be considered as next working day
3. SLA hours will be counted during the business hours, where ever SLA is hourly based only.

The breakdown penalties are as mentioned below.

Location	Resolution time
within specified time period from the time of complaint	No Penalty
Not resolved within 8 hours or standby not provided.	@ Rs. 20/- per completed hour from the time of intimation till the time the complaint is resolved or a standby is provided, per location per item.
Not resolved / standby not provided. (after the first 24 hours)	@ Rs. 240/- per day thereafter till resolved or standby provided.

- a. Maximum penalty is restricted to 10% of the cost of the hardware.
- b. If any hardware has hardware failure on four or more occasions in a quarter, it shall be replaced by equivalent new equipment by the agency at no cost to TSCL within 10 days from the date of last failure. Till the replacement is provided, the original equipment has to be kept in running condition or else a standby provided and all services restored. However, penalties for breakdown as per SLAs defined in the tender will be applicable.
- c. The penalties as above will be recovered from any payment due to the Successful Agency.

Partial/ Full damage to Hardware

- a. If the damage to the hardware is due to the power fluctuations or physical damage due to mishandling by department personnel or the damage by external factors, TSCL would bear the cost of the parts damaged but the onus of proving this will be on the Bidder. However, the Bidder will be required to provide immediate system/ solution as standby with same configuration or higher and with all services restored as if it is a normal breakdown.
- b. In case of Partial/ Full damage or loss of the equipment due to reasons beyond the control like Theft, Fire etc., the Bidder should be in a position to supply working standby equipment with same configuration or higher with all services restored, as if it is a normal breakdown.
- c. In both the cases mentioned above fresh order will be placed by TSCL with the Bidder for the supply of the new hardware against the lost/ damaged equipment/ component. Monthly rental of 5% of basic Hardware cost will be payable to the Bidder for the equipment supplied as standby. If the Bidder does not provide standby equipment, the penalties for breakdown as per SLAs will be imposed.
- d. Service Engineers/ Representatives of Bidder shall invariably carry their identity cards with them, without which they will not be allowed to access department Systems. Service Engineers of the Bidder shall have access to the Computer Systems/ Backup Solution only after obtaining clearance from department authorized officials. No component of the System/ data/ log information will be taken out of department premises without clearance from authorized Officials of the department.
- e. When stand by machine breaks down, and then normal breakdown penalty as per SLA will be applicable.

SELECTION OF AGENCY FOR ESTABLISHMENT OF SMART CLASS ROOMS IN GOVT. PU COLLEGE, TUMAKURU

Note: The penalty on account of operational SLAs will be up to 10% of the QGR amount. Beyond two instances of the cumulative value of the penalties breaching the 10% limit, the cap on penalty on account of operational SLAs will be revised to 100% of the QGR for the remaining duration of the contract.
