#### LETTER OF INVITATION

Madurai Smart City Limited intends to engage qualified consultant to prepare Detailed Project Report (DPR) for Streetscape Redesign – Pedestrian Pathways, underground ducting, power & communication, landscaping, street furniture etc, in ABD area of Madurai under Smart City Mission.

- The purpose of this assignment is to prepare DPR
- The following documents are enclosed to enable you to submit your proposal:
  - (a) Terms of reference (TOR) (Annexure 1)
  - (b) Supplementary information for consultants, including a suggested format of curriculum vitae (Annexure 2) and
  - (c) A Model Form of Contract agreement (Annexure 3).
  - (d) Evaluation Sheet (Annexure 4)
  - (e) Performance Guarantee (Annexure 5)
- In order to obtain first hand information on the assignment and the local conditions, it is considered desirable that a representative of your firm visit the Madurai ABD area before the proposal is submitted. Your representative shall meet the following officials:
  - a. The Managing Director
  - b. The Director

Please ensure that advance intimation regarding your visit is sent to the concerned officials, so as to enable them to make appropriate arrangements.

#### • **Earnest Money Deposit**

- The Bidder shall furnish, as part of his Bid, Earnest Money Deposit at the rate of Rs. 27,000/-in the form of Demand Draft Drawn in favour of Managing director,

Madurai Smart City Limited, Madurai, payable at Madurai. EMD remitted in any other form will not be accepted.

- Any bid not accompanied by an acceptable EMD shall be rejected by the Employer as non-responsive.
- The EMD of unsuccessful bidders will be returned. In the case of successful bidder, the EMD will be converted as Security Deposit and will be refunded (without interest) after the successful completion of the assignment.
- The EMD may be forfeited
  - (a) If the Bidder withdraws the Bid after Bid opening during the period of Bid validity;
  - (b) If the Bidder does not accept the correction of the Bid Price or
  - (c) In the case of a successful Bidder, if the Bidder fails within the specified time limit to enter into an agreement

**5.0.** The Submission of Proposals: The proposals shall be submitted in two parts, viz., Technical and financial and should follow the form given in the "Supplementary Information for Consultants."

**5.1.** The "Technical" and "Financial" proposals must be submitted in two separate sealed envelopes (with respective marking in bold letters) following the formats/schedules given in the supplementary information for consultants. The first envelope superscribed "Technical proposal" should include the description of the firm/organization, the firm's general experience in the field of assignment, the qualification and competency of the personnel proposed for the assignment and the proposed work plan methodology and approach in response to the suggested terms of reference. The first envelope containing the technical proposal **should not contain any cost information whatsoever**. It should be sealed with sealing wax. The second envelope superscribed 'FINANCIAL PROPOSAL' must also be sealed with sealing wax and initialed twice across the seal and should contain the detailed price offer for the consultancy services. **Bids sent not adhering to these instructions will be rejected.**

Both the sealed envelopes should again be placed in a sealed cover in which the name of work and the name of Region, which it is submitted should be super scribed and It will be received **Managing Director, Madurai Smart City Limited, Madurai**. Aringar Anna Maligai, Tallakulam, Madurai-625002 , **up to 15.00 hours on 21.12.17, in person** .

### **Sealing and Marking of Bids**

The intending bidder should submit tender in two cover system. The cover containing EMD, qualification and information etc., shall be superscribed as "Technical Bid". Another cover containing the duly filled in tender schedule shall be superscribed as "Price Bid". Both these covers shall be put in a single big envelope and shall be submitted.

The Cover superscribed as "Technical Bid" will be opened first. The Price Bid cover will be opened only if the document required in the Technical Bid cover viz.,

EMD, work experience, Technical qualification etc., are found in order as per the tender conditions. If Technical Bid is not submitted with these particulars, the Price Bid cover will not be opened and the tender will be rejected and returned to the bidder "un opened".

The **inner and outer** envelopes shall

- (a) be addressed to the Employer at the following address:  
**Managing director, Madurai Smart City Limited, Madurai.**  
Aringar Anna Maligai, Tallakulam, Madurai-625002
- (b) bear the following identification:

Consultancy Services for 'Preparation of Detailed Project Report for Streetscape Redesign – Pedestrian pathways, underground ducting, power & communication, landscaping, street furniture etc, in ABD area of Madurai under Smart City Mission Bid Reference No: **Ma.Po.2/Est 19098/2017**

- **DO NOT OPEN BEFORE 15.30 hours on 21.12.17**

**In addition to the identification required, the inner envelopes shall indicate the name and address of the bidder to enable the bid to be returned unopened**

If the outer envelope is not sealed and marked as above, the **Tender Inviting Authority** will assume no responsibility for the misplacement or premature opening of the bid.

**The Tamil Nadu transparency in tenders act and relevant rules will be followed.**

You will provide detailed break up of costs and fees as follows:

- Staffing billing rate plus overheads
- Travel and accommodation
- Report reproduction

## **6. Opening of proposal**

**6.1** The Technical proposal (first envelope containing technical proposal only) will be opened by the Director, Madurai Smart City Limited, Madurai. Or his authorized representative at the Aringar Anna Maligai, Tallakulam, Madurai-625002. It may please be noted that the second envelope containing the detailed **price offer will not be opened** until the technical evaluation has been completed and the result approved and notified to all consultants.

## **6.2 Eligibility criteria**

- (i) **The consultancy organization should be registered as a legal entity**, like, Society, Company, Association and, a notarized copy of Certificate of registration shall be attached.
- (ii) Should be in the field of consultancy for preparing detailed project reports for **not less than 5 years** (2012-13, 2013-14, 2014-15, 2015-16, 2016-17). (Production of audited accounts will be taken as the proof. It should be duly certified by Chartered Accountant and notarized)

- (iii) A cumulative **minimum turnover of Rs.55Lakhs in the last 5 years**(2012-13,2013-14,2014-15,2015-16,2016-17). (Audited accounts from the Chartered Accountant should be submitted and duly notarized.)
- (iv) Specific **experience of the firm in designing of public transport improvement** (Proof of having **completed** assignments of Detailed Project Reports preparation for the ULB or State Government/Central government departments or Public Sector Organizations, or Boards including for private townships over the last five years to a value of not less than Rs.30lakhs of Consultancy in a single Consultancy assignment shall be attached duly certified by an officer not below the rank of Executive Engineer or equivalent or above cadre officer.

### **6.3. No Joint Venture is allowed.**

## **7. 0. Evaluation**

A two-stage procedure will be adopted in evaluating the proposals with the technical evaluation being completed prior to opening the financial proposals. The technical proposals will be evaluated using the following criteria:

- i. The consultant's relevant experience for the assignment
- ii. The quality of the methodology proposed and
- iii. The qualifications & experience of the key staff proposed for the assignment

The curriculum vitae of senior personnel in each discipline for assessing the qualifications and experience of the personnel proposed to be deployed for the studies should be included with the proposal (in the format of the sample curriculum vitae). These personnel will be rated in accordance with:

- i. General qualifications and adequacy in relevant field experience for the project (suitability to perform the duties for this assignment. These include education and training, length of experience on fields similar to those required as per terms of reference, type of positions held, time spent with the firm etc)
- ii. Their experience in the region
- iii. Involvement in skills transfer and training programmes

## **8. 0. Deciding Award of Contract**

The quality and competence of the consulting service shall be considered as the paramount requirement. The decision of the award of the contract would be as under:

- (a) The consultants scoring not less than 75% of the points in Technical evaluation will be considered qualified and **their financial bids alone will be opened**. The client shall notify those consultants whose proposals did not meet the minimum qualifying mark or were considered non-responsive to the Letter of Invitation and Terms of Reference, indicating that their Financial Proposals will be returned unopened after completing the selection process. The Client shall simultaneously notify the consultants that have secured the minimum qualifying mark, indicating the date and time set for opening of Financial Proposals. The notification may be sent by registered letter, cable, telex, facsimile, or electronic mail.
- (b) The Financial Proposals shall be opened publicly in the presence of the consultants' representatives who choose to attend. The name of the consultant, the quality scores, and the proposed prices shall be read **aloud** and recorded when the

Financial Proposals are opened. The Client shall prepare minutes of the public opening.

(c). The evaluation committee will determine whether the Financial Proposals are complete [i.e., whether they have costed all items of the corresponding Technical Proposals; if not, the Client will cost them and add their cost to the initial price], correct any computational errors. The evaluation shall exclude local taxes. The lowest financial proposal (Fm) will be given a financial score (Sf) of 100 points. The financial scores of all the proposals will be computed as follows:  $S_f = 100 \times F_m/F$  (F-amount of financial proposal). **Proposals will finally be ranked according to their combined technical (St) and financial (Sf) scores using a weight of 75% for technical proposal and 25% for financial proposal.**  $S = S_t \times 0.75 + S_f \times 0.25$ . The Consultant securing the highest score will be invited for negotiations.

(d) Prior to the expiration period of proposal validity, the Client will notify the successful Consultant who submitted the highest scoring proposal in writing by registered letter, cable telex or facsimile and invite it to negotiate the Contract. Negotiations normally take a day. The aim is to reach the agreement on all points, and initial a draft contract by the conclusion of Negotiations. Negotiations will commence with a discussion of your technical proposal, the proposed methodology (work plan), staffing and any suggestions you may have made to improve the TOR. Agreement must then be reached on the final TOR, the staffing, man days, and rate there for and logistics and reporting. Special attention will be paid to optimize the required outputs from the Consultant and to define clearly the inputs required from the Client to ensure satisfactory implementation of the Assignment.

The changes agreed upon will then be reflected in the draft contract, using the proposed unit rates (no negotiation of the unit rates, including the man month rates). Having selected the consultant, among other things, on the basis of an evaluation of the proposed key professional staff, the Client expects to negotiate a contract on the basis the staff named in the proposal and, prior to contract negotiations, will require assurance that these staff will be actually available. The Client will not consider substitutions during contract negotiations except in cases of unexpected delays in the starting date or incapacity of key professional staff for reasons of health. In such cases the client may accept substitutes having **equal or above qualifications** prescribed only after getting the approval of the client.

The negotiations will be concluded with a review of the draft form of Contract. The Client and the Consultants will finalize the contract to conclude negotiations. If the negotiations with this consultant are successful, the award will be made to him and all other consultants notified. If negotiations fail, and if it is concluded that a contract with reasonable terms cannot be concluded with this consultant, the consultant scoring second highest score, will be invited for negotiations. This process will be repeated till an agreed contract is concluded. Please note that the **Managing director is not bound** to select any of the firms submitting proposals.

9. It is estimated that the services will be required for the assignment and generally you should base your financial proposal on this figure. However, you should feel free to submit your proposal on the basis on man-months considered necessary by you to undertake the assignment.
10. You are requested to hold your proposal valid for **90 days** from the date of submission without change the personnel proposed for the assignment and your proposed price. Managing Director, Madurai Smart City Limited, Madurai will make best efforts to select a consultancy firm within this period.

11. Please note that the cost of preparing a proposal and of negotiating a contract including visits to ABD area, if any **is not reimbursable** as a direct cost of the assignment.
12. You will be expected to take-up/commence the assignment within **7 days** from the date of issue of work order.
13. If there is a delay without any valid reason, within the time limit in the submission of the reports, penalty may be imposed as follows:  
**For every week of delay notice: 0.1% of the consultancy cost for the respective report will be deducted per day.**
14. You are reminded that **any manufacturing or construction firm, with which you might be associated with, will not be eligible to participate in bidding for any goods or works resulting from or associated with the project** of which this consulting assignment forms a part.
15. Please note that the remuneration which you receive from the contract **will be subject to normal tax liability**. Kindly contact the concerned tax authorities for further information in this regard, if required.

Yours faithfully,

Managing Director  
Madurai Smart City Limited Madurai

## **TERMS OF REFERENCE**

### **CONSULTANCY SERVICES FOR PREPARATION OF DETAILED PROJECT REPORT FOR STREETScape REDESIGN – PEDESTRIAN PATHWAYS, UNDERGROUND DUCTING, POWER & COMMUNICATION, LANDSCAPING, STREET FURNITURE ETC, IN ABD AREA OF MADURAI UNDER SMART CITY MISSION.**

#### **1. BACKGROUND:**

Madurai City, located in South Central Tamil Nadu, is the second largest city after Chennai and is the headquarters of Madurai District. It is a pilgrimage centre and the gateway to South Tamil Nadu having the famous Meenakshi Temple at its core. It is also a trading centre famous for its handloom industry. The city is well connected by road and railway network to the urban centers in the state and the neighboring states. Madurai is a major junction on the Chennai-Kanyakumari Railway line. National Highways NH-7, NH-45B and NH-49 pass through the centre of the city and the Domestic Airport connects the city with other major cities of India and also Colombo, Sri Lanka. The city is administered by the Madurai Municipal Corporation (MCC) with the administrative jurisdiction extending over an area of 147.99 sq. km.

#### **2. GENERAL DESCRIPTION**

Madurai is one of the city selected under smart city mission. Madurai smart city limited (MSCL) has been formed to implement the projects and to demonstrate its vision under this mission

MSCL has taken up street redesign under Non-Motorised Transport (NMT) as one of the pilot projects under Smart cities mission. Under the Area Based development (ABD) programme, Meenakshi Amman Temple area has been chosen as the ABD area for Madurai.

#### **3. OBJECTIVE OF THE PROJECT**

The main objective of this assignment is to prepare feasibility report and Detailed Project Reports for Street redesign and undertake Bid Process Management for appointment of developers/contractors. The Detailed Project Report shall be prepared based on the site assessment, technical and financial feasibility. The DPR should consist detailed designs, drawings

(structural, architectural, working drawings), bid documents, cost estimates, specifications, etc.,

#### **4. SCOPE OF PROJECT**

Streets perform certain basic functions in the built environment such as providing routes for vehicles and public transport, and accommodating utility services and drainage systems. The design of a street has an influence on how people use the street and interact with each other on it. The streets around Meenakshi Amman Temple (All Chithirai streets, all Avani Moola Veethi, all Maasi streets, all Veli streets) have been taken up for redesigning of the street, retrofitting of footpath and road, place making on road, junction redesigning etc amongst other improvements on the street.

The MSCL under vision of mission projects has selected all the streets surrounding Meenakshi Amman Temple for creating ideal street network in the temple area.

The Focus & Guidelines for designing of this network of these streets are as under :

As this is one of the Pilot mission Project the streets will be designed as an ideal street & will follow all acts & guidelines prepared by the Government of India & other Statutory Bodies, such as Smart City Guide Lines, National Disability Act, Hawkers & Vendors Act, National Urban Transport Policy etc.

The Services laid in the street shall be permanent in nature and shall be maintained only through designed & designated Service Ducts provisions & not by digging the Road or Pavement Area in the forthcoming decades.

These streets shall be designed by giving priority to pedestrians, shall be disable friendly (in totality such that one should be able to demonstrate that a person on wheel chair would be able to move from origin to destination on his own in the identified zone) thus achieving Universal Accessibility, making the neighbourhood cycle friendly, create designated spaces for Hawkers & Vendors as per the Central Government Act, provision for parking incorporate Public Transport & a Shuttle service (Small open battery operated vans) so that Residents in the area could move, thus avoiding the use of Private Vehicle for traveling short distances

The Street shall be designed & executed in such a way that it is one of the place for Social interaction having appropriate Street Furniture (seating, dust bins, signage), Recreation Space, facilities such as Urban Lounge with modern toilet, Information Kiosk, Wi Fi, Street Lighting, Public Art.etc

Thus, to achieve all the services like Water supply, Storm Water, Sewerage, BSNL cables, Optical Fiber Cables, EB cables shall be reorganised & relaid. The junction boxes on the streets of various utilities which are eyesores shall be relocated & camouflaged.

Have to acquaint the overall concept & spirit of this project and mobilize for delivering the highest quality of work with all details which shall comply with vision of this Pilot Project.

As mentioned above, with a scope of providing user friendly streets, the following tasks are to be undertaken

**i. Footpath retrofitting:**

Footpaths are those parts of a road or street that are intended for pedestrian use. Pedestrians include people on foot, in wheel chairs, or pushing a pram. It is therefore important that footpaths are wide enough for unhindered, unobstructed use by all user groups – including disabled users. Thus the footpath needs to retrofit so as to accommodate different type of users without any stumbling block. It is proposed to widen the footpaths providing user friendly and aesthetically appealing surface finish to the footpath alongwith the kerbs, shifting of utility boxes, provisions for new utilities etc.

**ii. Place making on roads**

Placemaking is both a process and tool, by which we collectively design and manage elements of the public realm to create places that are appealing, accessible, comfortable, and support social activity. Placemaking helps to define the pattern and use of the built environment and the manner and ease in which people are able to access, connect and move around in it. Placemaking can also help build and enhance sense-of-place by creating spaces that encourage social interaction and support interesting activities. Such spaces shall be created to achieve the objective of social development.

### **iii. Junction redesigning on pilot basis:**

Junction design and related engineering countermeasures play a very important role in the field of traffic safety. By creating a properly designed street junction, vehicle flow can be improved by simultaneously increasing pedestrian comfort and safety. Thus Junction redesigning becomes one of the prime project for execution.

To achieve the above tasks, the following criteria on streets redesign are to be undertaken.

1. Footpath reconstruction/ retrofitting with new kerb, new approved stamped concrete/ paver block surfacing, parking spaces, provision of separate RCC type utility ducts (1.5 X 1.5 m ) with opening in every 8 to 10 m interval for cables and future utilities.
2. Shifting and provision for new utility lines like water supply, sewer alongwith the chambers and electrical cables, feeder pillars, decorative street light poles etc.
3. Removal of the ramps, walls, compounds etc on the ROW of the road and complete retrofitting of the footpaths.
4. Provisions for new Storm water line with RCC/ FRP chambers and heavy duty FRP frame and covers
5. Identify all the storm water drainage issues including severity and location of inundation, location of drains and out falls; study of disposal at outfall points; critical outfalls including irrigation tanks, canals, systems, rivers water supply sources etc. pollution and other environmental issues; and identify any gaps in the existing drainage system. Additionally, identify physical constraints to drainage i.e. encroachments into drainage channels; solid waste dumping natural and human made obstructions, including pipe culvert and low level causeways, road and rail over bridges, flyovers, canals, permanent ways, etc.
6. Separate comprehensive plans & estimates to be framed for each Storm Water Drainage System comprising of Primary / main Drain with its Secondary and tertiary drains. The drains already under execution under JnNURM funding and other agencies should be looked in to, identified and taken care of while preparing the DPR.

7. Provision for new ramps, reconstruction of compound walls, reconstruction of access steps etc.
8. Provision for islands, raised pedestrian crossings, humps, etc
9. Provision for Thin White Topping surfacing for the road carriageway.
10. Provisions of road crossing pipes, RCC duct at regular intervals and along the footpath
11. Relocation/ removal and reconstruction of existing small shops
12. Construction of public lounge with modern toilets
13. Provision of Street furniture items (benches, sitouts, bollards, information kiosk, dustbins), Steet signanges
14. Provision of road markings etc.

To conduct necessary geotechnical investigations, topo surveys, utility mapping, area profiling, etc., for the project area as per relevant IS / IRC / MORTH requirements. The outputs shall be provided as part of the Draft DPR stage in an editable format.

Prepare detailed civil and mechanical designs, good for construction drawings, bar bending schedules Specifications, Tender Drawings, Bill of Quantities and Cost estimates, bid documents, etc., for all the items, as required. Bid documents shall be prepared as per World Bank Guidelines and Tamil Nadu Tender Transparency Act. (This should be based on the PWD schedule of rates and Market rates).

Prioritizing, packaging and phasing of the works identified. The DPR and bid documents shall also be given item wise for civil, mechanical, electrical, plumbing, and greenery, wherever needed.

Prepare Financial Operating Plan, Maintenance Management Plan, O&M costs, and strategies to meet these costs.

To prepare construction, supervision and operations & maintenance manual.

To prepare necessary 3D views based on the proposals formulated for a minimum 3 minutes' time line.

To conduct necessary stakeholders' consultation and to make presentation on the project proposal for public opinion as per the requirement of Madurai Smart City Limited. The cost for stakeholders' consultation shall be borne by the consultants.

Traffic study in parking aspect should be conducted at various places, the parking potential should be ascertained at various places in terms of volume of parking potential per hour.

Undertake Bid process Management for appointment of contractors/developers in accordance with tender transparency act of Tamilnadu.

**a. Detailed Design, Cost estimate & Bill of Quantities**

- i. Specifications of PWD may be adopted and the estimates are to be prepared based on current Schedule of Rates of PWD and other rates. Items of work not covered under the Standard Schedule of Rates shall be supported by market quotations with supporting authentic documents.

**b. Other**

- i. The consultancy should also carry out necessary studies to ensure Environmental compatibility, Social and Political acceptability, Legal and Regulatory feasibility and document them, in the DPR under the following areas:
- Socio-economic impact assessment,
  - Environmental impact and environmental management plan,
  - Legal and regulatory implications,
  - The details about the methodology and data outputs in respect of consultancy should be worked out in the bid offer by the consulting firm.
  - All data collected by the Consultant shall be made available to the Client in proper organized format and this data shall remain the property of the Client.
  - The data collected and the research results of the Consultancy shall not be divulged to other agencies without the explicit approval of the Client.
  - All reports should be submitted in hard and soft copy. Reports should be in Microsoft Word format, maps and drawings should be in the compatible format available with the Client

**4. Data, Service and Facilities to be provided by Client**

Madurai Smart City Limited and other related departments shall provide available details, sketch/maps and data relating to this work

**5. Reports and Deliverables**

- **Inception Report** containing the approach and methodology (to be submitted within 15 days of commencement of the assignment and date of signing the agreement)
- **Interim Report** consisting of listing of multilevel car parking, technical and financial feasibility/viability and proposals with outline cost estimates (to be submitted within 15 days of acceptance of Inception Report)
- **Draft Final Report** containing all details including drawings, cost estimates, specifications etc. (to be submitted within 15 days of acceptance of the Interim Report)
- **Final Report and Draft Bid Documents** incorporating review comments/suggestions from review of Draft Final Report and containing implementation schedule, FOP etc. (to be submitted within 15 days of acceptance of the Draft Final Report)
- **Final Bid Documents** after necessary technical sanction from competent authorities (to be submitted within 15 days of acceptance of the Final Report)

The consultant will submit 5 copies of all the above reports for review.

**6. Payment Schedule**

Payment schedule for performing the work shall be as follows:

- (a) On submission of Inception Report 15% of contract price

- |     |                                      |                       |
|-----|--------------------------------------|-----------------------|
| (b) | On submission of Interim Report      | 30% of contract price |
| (c) | On submission of Draft Final Report  | 40% of contract price |
| (d) | On submission of Final Report        | 10% of contract price |
| (e) | On submission of Final Bid Documents | 5% of contract price  |

The consultant is required to assist the Madurai Smart City Limited in obtaining technical sanction from concerned authorities.

#### 7. Assistance from Client

The Consultants would be assisted by Madurai Smart City Limited in obtaining relevant available information from the local authorities as well as extend co-operation on following areas:

- (a) Day-to-day interaction and monitoring of activities
- (b) Issue of authority/recommendation letters

Client shall arrange to give decisions and recommendations on the matters and proposals submitted for decision by the Consultant in such reasonable time as not to disrupt the performance of the Consultancy services.

#### 8. Property Rights

All data, layout plans, designs, photographs, software models accomplished by the Consultants for this assignment shall be the property of Madurai Smart City Limited. The data collected in the course of work shall be handed over to Madurai Smart City Limited.

#### 9. Permissions required:

The consultant shall:

- (i) Assist Madurai Smart City Limited in obtaining clearances from Directorate of Smart City Mission and concerned authorities
- (ii) Necessary approvals from the Pollution Control Board (PCB), CMA, MoEF, PWD, ASI etc if required would be obtained by the Madurai Smart City Limited with necessary assistance from the Consultant.

#### 10. Services and facilities to be provided by the client

- (i) The maps and other data related to this work, to the extent available with Madurai Smart City in (since the information is an official record)
- (ii) Assistance for obtaining FMB sketches (since the information is an official record)
- (iii) Assistance and support to obtain necessary data/information from the Meteorological Department, PWD, Irrigation Dept. and related (since the information is an official record)

#### 11. Competencies, Expertise and List of key professionals whose CV and experience are listed below

S. No	Name of the Expert	Qualification	Experience
1	<b>Team Leader and Project Manager</b>	Master degree in urban infrastructure engineering	Minimum of 15 years of proven track record in planning and designing wastewater infrastructure, municipal solid waste management system and rehabilitation/rejuvenation of drainage channels, and practical experience as Team Leader for a minimum of 2 number projects of complexity of the proposed assignment. He/she will provide guidance to the team regarding the various surveys and investigations that will have to be carried out to deliver the services in an effective manner and formulation of

<b>S. No</b>	<b>Name of the Expert</b>	<b>Qualification</b>	<b>Experience</b>
			strategies for progressive improvement of river front development. He/she will coordinate with the client, review the relevant data, reports, and deliver presentation on the outputs/deliverables/reports to the nodal officer of KMDA.
2	<b>Urban Transport Specialist</b>	Masters in Transport Planning /Urban Planning/Transport Engineering / Urban Engineering	Post graduate in Urban/Transport Planning/Transport Engineering/Urban Engineering with minimum work experience of 10 years in relevant subjects
3	<b>Water Resources and Drainage Engineer:</b>	Master degree in environment engineering	Minimum of 10 years relevant experience in water resources planning and designing urban surface drainage system to drain out storm water.
4	<b>Social Development Specialist:</b>	Master degree or more in social sciences	Minimum of 10 years working experience in social sector projects
5	<b>Finance Specialist</b>	Masters in Planning/Economics/ Management or a Chartered Accountant with specific experience in Municipal Financial assessment and management	Minimum of 10 years working experience in financing of projects.
6	<b>Environmental Specialist:</b>	Master degree in environmental sciences / engineering / management	Minimum of 10 years working experience in urban infrastructure projects.
7	<b>Town/Country Planner</b>	Master degree in town / country planning	Minimum of 10 years working experience in urban infrastructure projects

The above Team can be suitably supported by sub professional staff.

#### **12. Composition of Review Committee to monitor the Consultant's work:**

The Review Committee comprising of the following members will conduct Review Meeting to make binding decisions on behalf of Madurai Smart City Limited, Madurai.

1.	Managing Director
2.	Director
3.	Director

**Apart from the above, the project will be reviewed by the officials of the Commissionerate of Municipal Administration.**

#### **13. Procedure for the review of reports:**

The Review Committee will review the reports and the progress of the work. The follow up action taken by the consultant on the decision / suggestion of the Review

Committee will be reviewed in the next meeting. The comments or views on the various reports shall be given to the consultant within 7 days of submission of the respective reports/documents/designs.

Presentation on each report shall be made to a committee as mentioned in clause 12.0. In case of unexpected delays beyond the control of consultant or due to non-fulfillment of obligation under this TOR. The extension of time based on request may be considered by the client without any additional financial commitment.

## Annexure – 2

### SUPPLEMENTARY INFORMATION FOR CONSULTANTS

#### Proposals

##### 1. Proposals should include the following information:

##### a. Technical Proposal

- A brief description of the firm/organization and an outline of recent experience on assignments/ projects of similar nature executed during the last 3 years in the format given in Form F-2.
