## List of Projects as per Smart City Proposal : Vellore

SI No.	Projects in SCP	Cost (Rs. in Crore)			
	Area Based Development (ABD)				
	Water Supply & Strom Water Drain				
	Water Supply				
1	Smart Meters	15.4			
2	Vehicle based data collection system	0.5			
3	Kiosks in Corporation & Zonal office - for payment	0.4			
4	Real-time Water Quality Monitoring	2.5			
5	SCADA based water resources management solution	8.9			
6	Missed call based water supply distribution timing identification systems	0.1			
7	Rehabilitation of Transmission & Distribution Network (12Km of Transmission network and 80 Km of distribution network)	23.4			
8	Improvement in Water Supply distribution systems	50.0			
9	Water Augmentation	38.5			
	SWD	50.5			
10	Closure of open SWD in the City	18.0			
	i i				
11	RCC lining work for carrying water through channel to palar river  ICT to analyze water flow levels in SWD and DSS for otteri reservoir on water	62.5			
12	discharge	0.6			
	5				
	Improved Sanitation Services				
12	Solid Waste Management	2.5			
13	Road cleaning machines	2.5			
14	MRF (100 Ton/Day capacity to meet city needs)	78.3			
15	Pyrolysis Plant (48 Ton/Day capacity to meet city needs)	4.0			
16	Decentralized Waste Management	20.			
	Sewerage & Treatment				
17	Teritiary treatment plant for wastewater (7.71 MLD) including UGSR (2.6 MLD)	21.5			
18	Dual plumbing system for distribution of recycled wastewater in the city	5.2			
	Septage Management				
19	Purchase of vehicles	1.2			
20	Decanting Facility in STP/Pumping stations	0.4			
21	Creation of Database for septage management	0.2			
22	Pipeline to discharge recycled wastewater at velavadi Eri /Firestation recharge	4.0			
	points				
	Public Toilets				
23	Construction of smart public toilet units in bus stops	1.0			
24	Retrofitting/Upgrading existing public toilets	0.0			
25	ICT for reporting cleanliness of public toilets	0.:			
26	Mobile Truck based toilets for tourists in key location of the city	5.0			
27	ICT for monitoring waterlevel in toilets + auto alert system for water refiling	1.4			
28	Community Toilets	1.3			
	Electricity, Street Lights and Improved Distribution Systems Design				
	Electricity				
29	Smart Meters	12.3			
30	Kiosks in EB office - for ease of payment	0.:			
31	Solar Roof Top	112.			
32	Underground cabling	28.0			
52		28.0			
	Street lights				
33	New Street lights poles in parks, hill ridge and hiking trails	1.0			
34	Solar Street lights	1.0			
35	Web based switch - ON & Off + Current flow based operationalstatus	3.0			
33	monitoring systems for street lights	5.0			
36	LED Street lights with O&M	0.6			

SI No.	Projects in SCP	Cost (Rs. in Crore)
	Ducting	
37	Ducting for cables and pipelines	16.0
	Signage Boards	
20	Physical signage board in every junction to promote ease of transportation in	0.3
38	the city (Above the ground)	0.2
20	Neighbourhood / locality map with important landmarks in every junction - to	0.4
39	encourage pedestrians (on the ground)	0.6
40	Tourism Development	2.5
	Improved Mobility Services	
	Motorized & Non- Motorized Transportation Improvement Plans	
41	Pavement and Cycling Tracks	2.:
42	Roads	12.
43	Pavement	12.
44	Construction of Flyovers	110.
45	Benches in parks, hill ridge and key areas	3.
46	Automatic packaged ISO certified water packet dispensery outlets	1.
	2 Stairs to Highway bridge from City shoulder road - Scenic View of the Entire	
47	City	0.
40		
48	Development of Palar Riverfront road amenable for pedestrians & Bycling	1.
49	Construction of exclusive walking & Bycling trail in the hill ridge	1.
50	Development of hiking trail path to Sky Observatory	0.
51	Creation of bi-cycle parking slot in Fort	0.
52	Procurement of Bycycles	2.
32		۷.
	Parking, Bus Stand & Market redevelopment	
53	Creation of multi-layer smart parking near CMC hospital	39.
54	Creation of multi-layer smart parking near New Bus Stand - Including direct	19.
	connection to New Bus Stand	
55	Hi-tech Bus Terminus Development	56.
56	Structured Parking in Market Area opposite to fort - timed parking	0.
57	Modern bus stops & Auto Stands in the area	2.
	Recreation and Improved Public Spaces	
	Recreation	
58	Centers of immersive learning	15.
59	Cultural Center - Theatre hall, Culinary Center & Parking lot	10.
60	Construction of 1000 Seat Capacity Theatre hall to promote City/state's inate	2.
	culture & identity.	
61	Fort view Culnary Centre	0.
	Establishment of Sky Obervatory Center in Sathuvachari Hills by setting up a	_
62	large space telescope, multi-purpose open amphitheatre & space lab.	3.
63	Creation of Audio-visual content for Vellore Fort & City heritage	3.
64	Handheld devices in Fort for viewing audio-visual contents	1.
65	Park Improvement	1.
	Mapping City's heritage by archeological experts and creation of self- guided	4
66	heritage trail content for Vellore City	1.
67	Fort Development	
68	Moat desilting	48.
69 70	Floodlight Systems for Vellore Fort	0.
	Boating in fort moat	0.
	City Aesthetics	
71	City Aesthetics - 3D wall paintings	2.
72	Urban Forestry and Landscaping	3.
	Market Development	
73	Netaji market development plan	34
	Enablers for Intelligent Solutions	
	ICT Solutions	
74	Handheld device to all emergency reponse units	2.
_	Surviellance camera in all important nodes of the City, commercial area,	3.
